

LAB SAFETY IN THE SCIENCE CLASSROOM

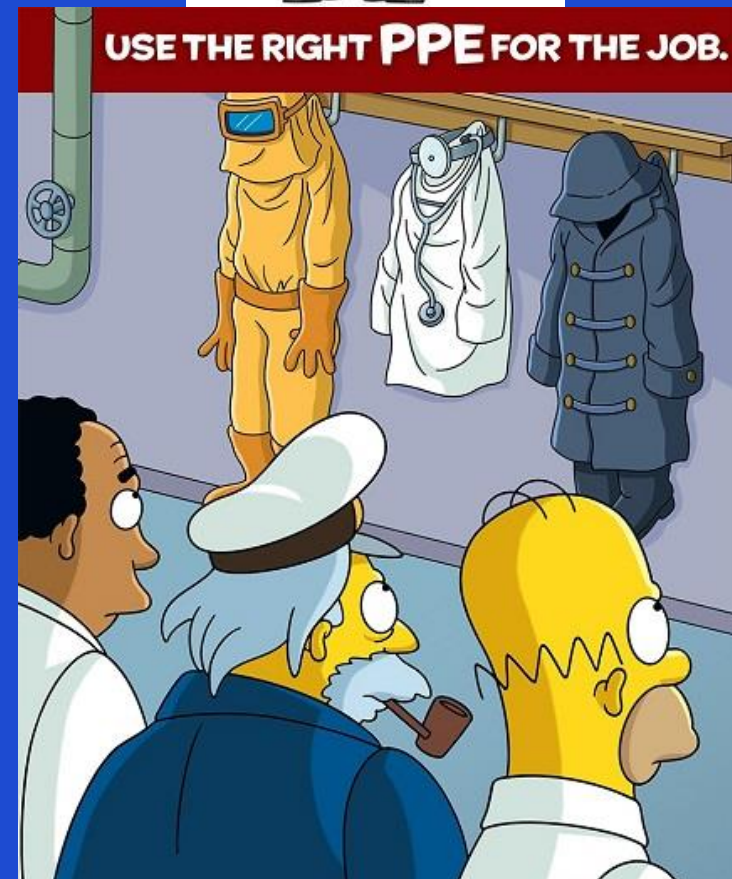

GENERAL PRECAUTIONS

- Always **read** all directions **before** beginning an experiment or activity.
- Never perform activities that are **not assigned** by your teacher.
- Do **not** engage in **horseplay**.
- **Never eat or drink** in the laboratory.
- **Keep** lab station **clean** and tidy at **all** times.

DRESS CODE SAFETY

- Always **wear goggles** to protect your **eyes**.
- **Tie back** long hair to keep it **away** from chemicals, flames, or equipment.
- **Never** wear **open** shoes or **sandals**.
- **Roll up** or secure long **sleeves** or loose **clothing** and **jewelry**.

FIRST AID SAFETY

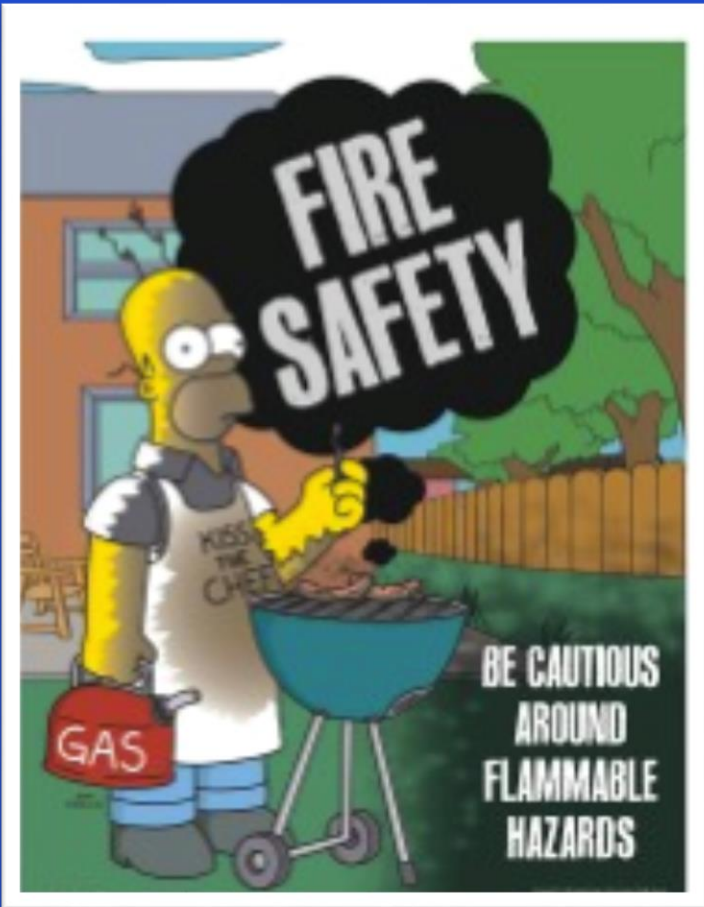

- Report all accidents to Mrs. Neagle.
- Know the location of emergency equipment.

SAFETY EQUIPMENT FOR THIS ROOM IS LOCATED:

- **Eyewash station**: Attached to the demonstration table at the front of the room
- **Fire extinguisher**: Outside classroom door
- Fire Blanket: **Front of the room, left side**
- Shower: **Front of the room, left side**

HEATING AND FIRE SAFETY

- **Never heat** anything unless instructed to do so.
- Use the **back** of your **hand** to feel for **heat**.
- Never heat a **liquid** in a **closed** container.

USING GLASSWARE SAFELY

- Never **use broken** or chipped glassware.
- Never **eat or drink** from glassware.
- **Clean** all glassware before putting it away.
- Never pick up glassware without first **checking** if it is **hot**.

END OF EXPERIMENT RULES

- **Return** all equipment to its proper place.
- **Clean** your station—make it look cleaner than it did when you entered the lab!
- **Dispose** of **waste** materials as instructed by your teacher.
- **Wash hands** after every experiment.
